

# ATAXIA UK COVENTRY AND WARWICKSHIRE SUPPORT GROUP

NEWSLETTER | SEPTEMBER 2014 | ISSUE 17

Pharmacy2U is the country's largest dedicated internet and mail order pharmacy, serving people who are unable to visit high street pharmacies. It allows prescriptions, over the counter medicines and personal care products to be delivered direct to your doorstep without having to leave the comfort of your own home - and many at prices lower than the high street.

Pharmacy2U offers patients electronic requesting of repeat prescriptions (via phone, our website or iPhone/Android apps), the unique repeat prescription reminder service and prescription synchronisation that ensures patients are ordering and taking their medicines appropriately.

To use Pharmacy4U your GPs surgery needs to be registered with the service. To check this and register go to <https://www.pharmacy2u.co.uk>.
